Introduction

About Diwizon

Empowering Businesses with Custom Digital Solutions.

At Diwizon, we are committed to empowering businesses by delivering custom digital solutions tailored to their unique needs. Our expertise spans creating optimised websites, efficient software, intuitive mobile apps, and effective eCommerce platforms that enhance productivity, streamline processes, and boost revenue.

1

Websites

Crafting optimised websites that effectively fulfil the intended purpose, focusing on content quality & seamless user experience.

3

Mobile Apps

Developing user-friendly custom mobile apps for Android and iOS platforms, aligning with specific business requirements.

5

Shopify

Unlock the potential of Shopify's tailored development & captivating marketing, designed to drive millions in revenue.

2

Softwares

Empowering businesses with efficient & adaptable custom softwares, enabling automation & enhancing productivity.

4

eCommerce

Offering comprehensive support in establishing & optimising online stores, with a focus on revenue generation strategies.

6

UI / UX Design

Specialized in enhancing user experiences through effective UI/UX design, delivering impactful results for businesses.

Mobile App Projects

Go Charge (ev charging)

Developed an **IoT-enabled** mobile app for **EV charging stations**, featuring a franchise module, a super admin panel for seamless management, and real-time monitoring for enhanced efficiency.

50% Increase

in Sales Through Franchise

3x Growth

in User Retention

Loan Approvals

55% Boost

in Reporting Efficiency

A smartphone screen showing the "Loans Details" section of the app. It displays two options: "Long term loan" for ₹1,00,000 and "Short term loan" for ₹50,000. A large green button at the bottom right says "Apply for Loan Now".

A smartphone screen showing the "Transaction" history. It lists three entries, each with a "Paid" status, a date (03-12-2024, 03-11-2024, 03-10-2024), and an amount of ₹1,500. The top entry also includes the date 03-12-2024.

A smartphone screen showing the "CLOSING AMOUNT" as ₹24000.02. Below it, the "Loans Details" section shows the same long-term and short-term loan options as the first phone. At the bottom, there is another "Apply for Loan Now" button.

Parul University (laundry app)

Developed a comprehensive Laundry Management App for Gujarat's prominent **Parul University**, including dedicated modules for students, as well as delivery and pickup personnel.

60% Increase

in Student Adoption

35% Boost

in Operational Efficiency
